PROFILE INFO

Frontend developer with foundation in full-stack technologies. Passionate about creating dynamic, responsive, and user-friendly web applications. With 7+ years of experience in administration and project management, I bring a unique perspective in collaboration, project coordination, and problem-solving to development projects. Currently seeking a frontend developer position to contribute my skills and grow in a professional setting.

TECHNICAL SKILLS

- Technologies:
 - HTML, CSS, JavaScript, React.js, Node.js, Git, Ruby, Ruby on Rails
- Project Management:
 - Slack, Asana
- Soft Skills:
 - Collaboration, Communication, Leadership, Project Management

EDUCATION

FULL STACK DEVELOPER BOOTCAMP

AVION SCHOOL, 2024

BACHELOR OF ARTS IN INTERNATIONAL STUDIES, MAJOR IN EUROPEAN STUDIES

DE LA SALLE UNIVERSITY
MANILA, 2009 - 2012

- Multiple Dean's List awards for academic excellence

WEB DEVELOPMENT EXPERIENCE

Frontend Developer (Bootcamp Student)

JUNE 2024 - PRESENT

Avion School (Remote)

- Building a portfolio of projects using HTML, CSS, JavaScript, and React.
- Strong focus on responsive design, accessibility, and user experience (UX) principles.
- Developed and deployed a [Duolingo Clone Interactive Landing Page].
- Built a [Banking App] for manual account management with features like balance tracking and expense management.

Projects

- Portfolio Website:** Demonstrates creativity, problem-solving, and attention to design principles.
- TicTacToe Game:** Features move history navigation, game state resets, and dynamic UI updates.
- Slack Clone App:** Integrated a login system, user list, and messaging functionality.

PROFESSIONAL EXPERIENCE

Operations and Communications Lead

SEP 2021 - OCT 2023

Victory Southern California, San Diego, California (Remote)

- Coordinated projects and events, applying agile methodologies and modern collaboration tools to manage workflows and stakeholder communications effectively.
- Developed strong skills in cross-functional teamwork, time management, and adapting to technology-driven environments.

Product Specialist

MAR 2018 - SEP 2020

World Vision International, Pasig City, Philippines

- Led a team and coordinated projects involving international stakeholders, aligning with strict timelines, which cultivated skills relevant to client and project management in development roles.
- Developed high-quality project materials, focusing on collaboration and attention to detail, a skill that translates into writing clean, efficient code.
